

Alexian Brothers Center for Mental Health

*When life is difficult,
we can help to make it easier...*

We know how challenging life can be these days. Life stressors, family pressures and other issues can increase levels of anxiety, stress and depression. During these tough times, please know that you don't have to go through it alone.

The **Alexian Brothers Center for Mental Health** in Arlington Heights offers a **partial hospitalization program** to meet an individual's needs in a community-based setting. This comprehensive, short-term program provides support for adults and older adults who may be experiencing an increase in mental health symptoms. We offer medical evaluation, intensive therapeutic groups, and family & support group meetings.

Treatment advantages include:

- Immediate & comprehensive evaluations
- Cutting-edge treatment models
- Individualized treatment pathways
- Small groups allowing for intensive, individualized services
- Medication monitoring with doctor offered several times weekly

The **Partial Hospitalization Program** operates **Monday through Friday, 9:00 AM to 3:00 PM.**

**3455 Salt Creek Lane
Arlington Heights, IL 60005**
